

gal::network::communicating

```
graph BT; A[gal::network::client] --> B[gal::network::communicating]
```

The diagram consists of two rectangular boxes. The top box is shaded gray and contains the text 'gal::network::communicating'. The bottom box is white and contains the text 'gal::network::client'. A blue arrow points vertically from the top of the bottom box to the bottom of the top box, indicating a relationship or flow from the client to the communicating state.

gal::network::client
