

Nebula

The diagram shows a large light blue rectangle labeled 'Nebula' at the top center. Inside this rectangle is a smaller, horizontally-oriented light blue rectangle. Within this inner rectangle, there are eight components arranged horizontally: 'Window', 'Light', 'GUI', 'glsl', 'Context', 'Color', 'Camera', and 'Graphics'. The first five components ('Window' through 'Context') are each enclosed in a red rectangular border. The 'Color' component is enclosed in a black rectangular border. The 'Graphics' component is not enclosed in a border. All components are white rectangles with black text.
